LEG ASSEMBLY

Assembly for all benches and risers

page2

No.1 lay out assembled bench bases as shown on page 1 and 2

No.2 insert post into provided slots in bench BBB01 [make sure the large slots are on the inside].

The post corner supports should be on the outside of the bench.

No.3 rest stringers on corner bracket and attach [stringer is pre drilled on the 4in side of board]

No.4 arrange the 2x6 rafters along the top of the stringer and fasten.

No.5 Repeat no.4 with 2x4 rafters on side arbors.
